Welcome to IJESI !!!

International Journal of Engineering and Science Invention (IJESI) is an international journal intended for professionals and researchers in all fields of computer science and electronics. IJESI publishes research articles and reviews within the whole field Engineering Science and Technology, new teaching methods, assessment, validation and the impact of new technologies and it will continue to provide information on the latest trends and developments in this ever-expanding subject. The publications of papers are selected through double peer reviewed to ensure originality, relevance, and readability. The articles published in our journal can be accessed online.

The Journal will bring together leading researchers, engineers and scientists in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Proposing a Special Issue and Serving as the Lead Guest Editor
International Journal of Mineral Processing and Extractive Metallurgy
Vol.4, No.1, 2019
Dear...

We get to know your recently published paper "THE USE OF MAGNETIC AND ULTRASONIC STRUCTUROSCOPY FOR THE PROCESS CONTROL OF AUSTEMPERED IRONS" in "METAL 2015: 2015 International Journal of Mineral Processing and Extractive Metallurgy" which is very interesting and related to the subjects of mineral processing and extractive metallurgy. "International Journal of Mineral Processing and Extractive Metallurgy" (print: 2575-1840 ISSN Online: 2575-1859) is a well-known peer-reviewed journal which is devoted to provide a platform for researchers to present their research findings, discuss them, and share research achievements. Respected scholars are welcomed to launch a special issue in their familiar field. If you have any scientific achievements in mineral processing and extractive metallurgy, we believe you are qualified to initiate a special issue and become the Lead Guest Editor of the journal. Once your proposal is passed, you will be the Lead Guest Editor.

We get to know your recently published paper...

Suggestions on Proposing Special Issues:

1. Please download the proposal form in the following link:
